

TAI

LONGEVITY INSURANCE ADMINISTRATION SOFTWARE

Streamline your Longevity Operations

ABOUT TAI

SERVING LIFE INSURERS AND REINSURERS GLOBALLY

Over 115 clients worldwide with over 90% of the top 50 insurers in North America trust TAI software for their life reinsurance administration.

A dedicated team of (re)insurance experts who have performed over 100 engagements to support insurers and reinsurers in full-time administration, identifying treaty data discrepancies, system projects, and analyzing operational processes and compliance.
