

## Add a New Record to Auto Re

Steps to ADD a new record to the Auto Re:

- Select the Company
- Enter the new Search Plan
- Select GO (to ensure that it is not already populated)
- Select ADD
- Make sure the Search Plan that you entered is still populated (if not add it)
- Enter the details for the Auto Re
- Select Save
- Now you can use EDIT to add other Auto Re records for the same Company and Search Plan
